

Date: July 12, 2024
From: Blaine Rekken, Member/Energy Services Manager

RE: Position Opening – Energy Services Specialist

Position Location:

Nodak Electric Cooperative, Inc., 4000 32nd Avenue South, Grand Forks, ND 58201

Purpose for the Position:

To commission and maintain demand response equipment in the field, assist with customer inquiries, troubleshoot power quality issues, promote energy efficiency and load growth, and deepen customer awareness and participation in the cooperative's energy programs. This is a technical position requiring a valid driver's license.

Application Timeline:

Accepting applications through August 23, 2024.

Education/Experience:

- Associate or two-year degree technical required; in electrical, electronics, or related field preferred.
- Electrical utility experience preferred, but not necessary.

Abilities/Skills:

- Please reference job description.

This is a full-time, permanent position based on a 40-hour work week having some overtime. Nodak offers an excellent benefits package and working environment.
