

Date: April 21, 2025
From: Jay Raymond, Line Superintendent

RE: Position Opening –Journeyman Lineman

Please post this notice or distribute as appropriate within your organization. Thank you.

Position Location:

Nodak Electric Cooperative, Inc., Grafton, ND

Purpose for the Position:

The primary purpose of this position is to assist the line department in maintaining and troubleshooting the cooperative's distribution system.

Application Timeline:

Closing date for this position is May 20, 2025.

Education/Experience:

Must have completed an accredited Journeyman Lineman Program which meets the approval of Nodak Electric Cooperative. Must have a North Dakota class A commercial driver license or the ability to obtain one.

Abilities/Skills:

Basic knowledge of an overhead and underground distribution system. Applicant must be able to climb poles and terminate URD cable.

This is a full-time, permanent position with an excellent benefit package. This position is an hourly paid position with a 40-hour work week with some possible overtime and infrequent overnight travel when necessary. This position requires work to be performed outside of the office.
